Features and Benefits

- Peace of Mind - 40 year limited warranty
- Enhanced Curb Appeal - maintains consistent, attractive appearance over the long haul
- Increased Property Value - protects your investment
- Energy Efficient - reduces heating and cooling costs
- Environmentally-Friendly Choice - made from sustainable materials that are 100% recyclable
- Durable - high tensile steel provides increased protection from high winds
- Safety - Metal roofs will not spark and ignite into flames during a wildfire or lightning strike
